entire 40-year history of the modern a real champion in the near future.

game, only about a dozen batters have It has been a combination of sucgone beyond 400, It would seem that such a showing with the bludgeon must win the batting honors for the because that was the year when Ty Gobb slugged to his record mark of 420-and Joe finished second.

The following season-1912-Jackson hit for .395-and Cobb again beat him to the wire with .410. No matter how well Joe performed, Ty's accomplishments were a bit superior. And have gone to Cobb-all of them.

years than 1911 or 1912 he would have | way and proceeded to his work. ways below Cobb.

FUTURE CHAMPION OF GERD HIORTH

If Gerd Hiorth should succeed in making a good showing tomorrow evening in the girls 50-yard race, Sox Star Has Great Record as there will be at least three people who will be overjoyed. This trio are the young hovice swimmer, Ruth Stacker and W. A. ("Knute") Cottrell.

"Knute" Cottrell was Ruth Stack Fortune hasn't smiled with any real sweetness upon Joe Jackson. His an island record of 31 seconds in the achievements over the sweep of four 50 yards. Later she established a stars of the National League, has atthe Y. M. C. A., recently swam the campaigns were great enough to have 440-yard record and a 100-yard mark. tained third place among its batters, recently swam the campaigns were great enough to have 440-yard record and a 100-yard mark. Robertson still holding first and Dauwill do better in the coming event is greatest player in the game." But fate kept Ty Cobb in the frolic and vel is certain to prove that novice Joe never has ranked better than a least one of her records.

Had Miss Stacker continued an amateur there is no telling what she would have accomplished and Fanny Durack might have been minus at least one of her records.

Had Miss Stacker continued an amateur there is no telling what she would have accomplished and Fanny Durack might have been minus at least one of her records. least one of her records.

runner up.

Cobb has noted as an eclipse of the guidance of Ruth Stacker and "Knute Cottrell and the former ventured the statement that in one year she expected Mas Hjorth to lower the record made by Miss Stacker of 31 accounts. Will also compete, and should as a major leaguer, he clubbed for again prove to be a strong contender for honors.

Large the statement that in one year the guidance of the "shoeless wonder."

Large the statement that in one year the record made by Miss Stacker of 31 accounts for the wonderful average of 408. In the entire 40-year history of the modern same only about a dozen batters have the statement of the content of the wonderful average of 408. In the entire 40-year history of the modern same only about a dozen batters have the content of the wonderful average of 408. In the entire 40-year history of the modern same only about a dozen batters have the statement of the wonderful average of 408. In the entire 40-year history of the modern same only about a dozen batters have the statement of the will be a real champion in the near future.

Least one of her records.

Inasmuch as she will be unable to make an attack on the mark held by the Australian feminine star, she is doing everything possible to help an other island girl set a new mark Gerd Hiorth in her first race made of the "shoeless wonder."

Hit .408 in First Try.

Back in 1911 Joe's first full season as a major leaguer, he clubbed for the wonderful average of 408. In the entire 40-year history of the modern same only about a dozen batters have the mark held by the Australian feminine star, she is doing everything possible to help an other lists with 30; Williams, Chicago, in make an attack on the mark held by the Australian feminine star, she is doing everything possible to help an other lists with 30; Williams, Chicago, in the star will be an attack on the mark held by the Australian feminine star, she is doing everything possible to help an other lists with 30; Williams, Chicago, in the star will be an attack on the mark he
